DATE OF ANNOUNCEMENT: Friday, January 13, 2012

APPLICATION DEADLINE: Friday, March 16, 2012 at 5:00 PM (postmarked)

****STUDENT MUST BE CURRENTLY ENROLLED IN A UNIVERSITY/COLLEGE****

POSITION TITLE: Fish Culture Technician

OF POSITIONS: 1

LOCATION: Jocko River Trout Hatchery, Arlee, MT

WORK START/END DATES: Flexible, will be determined

HOURS/WEEK: Variable. Total
400 hours per year

TRAINING/ORIENTATION DATES: Flexible, will be determined

COMPENSATION (PAY, PER DIEM, HOUSING, VEHICLE, ETC.): \$8.00 to \$10.00 per hour, DOE

POSITION DESCRIPTION: Student is trained to perform most tasks associated with rainbow trout hatchery maintenance, fish culture, and artificial propagation.

SKILLS, ABILITIES, KNOWLEDGE NEEDED (EDUCATION; UNDERGRAD/GRAD LEVEL, SUGGESTED/REQUIRED MAJORS): Prefer student majoring in field relating to fisheries management (i.e. Biological Sciences). Ability to work independently and with small group is necessary. Some moderately strenuous labor is required.

APPLICATION MATERIALS/PROCEDURES (RESUME, COVER LETTER, REFERENCES, ETC.):

Letter of interest and contact information are required with brief Resume. Additional information may be required prior to selection. Top candidates will be interviewed. Please send to contact person listed above.

ADDITIONAL INFORMATION: Work start and end dates, hours per week, and specific work days is flexible, and can be (to some extent) tailored to student's schedule. However, once work schedule is set, the student must adhere to it. Our greatest need for intern assistance is for the time period of September through December. A total of 400 hours is available for this position at this time.
